

Here's How to Ask Your Company to Match Your RHS PTSA Donation!

What is corporate matching?

Most companies match contributions to nonprofit organizations (US based 501(c)(3)). This can instantly double your donation* to the Roswell High School PTSA so we can do more for our kids, faculty, school and community!

Does corporate matching benefit my employer?

Definitely! Corporations are happy to do corporate matching for two reasons:

1. It provides them valuable tax deductions.
2. It also gives them an opportunity to be good corporate citizens.

Will corporate matching impact me negatively in any way?

Absolutely not. Companies keep corporate matching data private. No one has access to this data. In most cases, companies outsource the entire process.

When should I apply for corporate matching?

As soon as you donate to the PTSA. Some companies distribute corporate matching funds right away, while others process them once a quarter. Some companies have strict time constraints within which employees are required to submit corporate match applications. If your company offers corporate matching, please apply for it right away.

Does my employer have a corporate matching program?

Following is a list of corporate matches we have already received. If your employer is not listed below, call the benefits/HR department of your employer.

- Kimberly Clark
- Verizon
- UPS via United Way

My employer offers corporate match but Roswell High School PTSA is not listed?

Adding RHS PTSA to the list of organizations eligible for corporate match is usually a quick and easy process. You need the following information:

Roswell High School PTSA
11595 King Road
Roswell, GA 30075

Once you enter the information into the system, in most cases, PTSA will be added very quickly.

What is the process for corporate matching?

Each company has a different process for employer match.

In general, the steps to get corporate matching are:

1. Check to see if your company participates in corporate matching.
2. Find out if Roswell High School PTSA is already listed as a non-profit (501(c)(3)) with your company for corporate matching.
3. If Roswell High School PTSA is not listed, you need to add the PTSA to their list. See the information above to add RHS PTSA to your company's list of organizations.
4. If your company requires hardcopy paperwork to be turned in, please complete the paperwork and return by mail to RHS PTSA via the school's address.
5. Finally, either mail a copy of your receipt (with the total amount, your contribution + match, and the date on which RHS PTSA will receive funds from the company) to the school or drop it by the front office or email to membership@rhsptsa.org.
